MilSim Asia: ECA delivers driver simulator

19 January 2016 - 12:38 by *Gordon Arthur* in *Singapore*

French company ECA Group is set to deliver the first components of a military vehicle driver simulator to a Middle East customer 'very soon'.

The Military Vehicle Simulator (MVS) will eventually comprise 15 units mimicking new-type European-built armoured vehicles that the customer is acquiring, with one demonstrator simulator already completed ...
